

**BRANDYCHASE AT SHEPARD PARK
OWNERS & RESIDENTS**

CHRISTMAS TREE PICK-UP

Walters will be picking up Christmas trees on the regular trash pick up days the weeks of January 4th and January 11th. Homeowners will be responsible for any charges incurred for tree pick-ups after these dates.

Place your tree alongside the trash area in such a manner that it does not block access to the dumpster. Only natural trees and branches will be picked up. Please note that these materials are put into a chipper; consequently anything other than natural materials would be a hazard to both equipment and the operator. Items with wire, tinsel, or other materials should be discarded with your regular trash. Trees larger than 6' should be cut in ½.

Thank you for your co-operation, and best wishes for a safe and happy holiday season.
